

A PLACE TO GO
WHEN THERE IS NO OTHER

SINCE OUR LAST CAMPAIGN IN 2021...

150

We've seen nearly 150 referrals, a sobering and alarming number, and a clear consequence of COVID.

60

Over 60 boys have benefitted from our programmes and relied on us for housing relief and basic necessities.

123

We've accumulated over 123 days' worth of therapy, treating deep-seated traumas and psychological scars.

1,000

Our boys have made important gains in the Clubhouse Gym, benefitting from over 1,000 hours of one on one *Keep Fit* and mental health sessions.

5.9K

5,904 hours of one-on-one mentoring has resulted in significant and hard-earned improvement in many of the boys.

17K

Our training and enterprise unit delivered an impressive 17,000 sales.

34

Have moved on successfully with their lives, and no longer require our assistance.

Succumbed to suicide.

1

Six are currently exhibiting severe suicidal ideation, with 2 in critical care at the time of writing.

6

Over half have suffered from domestic or sexual abuse and resultingly, suffer from debilitating drug/alcohol dependence.

1/2

30% of the boys we met were initially homeless.

30

THESE NUMBERS CAN GO IN 2 DIRECTIONS: HELP ENSURE IT'S THE RIGHT ONE.
